ELEMENTS OF RISK

Educational activity programs such as sports camps involve certain elements of risk. Injuries may occur while participating in these activities. The following list includes, but is not limited to, examples of the types of injuries which may result from participating in Volleyball Camp.

- Sprained fingers
- Sprained ankles
- Hits by a volleyball
- Exhaustion

The risk of sustaining these types of injuries result from the nature of the activity and can occur without fault of either the student or the School Board, its employees/agents or the facility where the activity is taking place. By choosing to take part in this activity, you are accepting the risk that your/your child may be injured.

The chance of an injury occurring can be reduced by carefully following instructions at all times while engaged in the activity.

If you choose to participate in Volleyball Camp, you must understand that you bear the responsibility for any injury that may occur. The Board of Trustees of Palliser Regional School Division No. 26 does not provide accidental death, disability or dismemberment or medical expense insurance on behalf of the students participating in this activity.

ACKNOWLEDGEMENT

We have read the above. We understand that by participating in the activity described above, we are assuming the risks associated with doing so.
