Sept 28, 2025

## **We Value your voice!**

Thank you for being apart of our Meet the Teachers event on September 11th! We hope you and your family had an opportunity to get to know our teachers and connect with community ! Your feedback is invaluable in helping us create even better experiences for our school community. Please take a minute to complete our brief survey.

## **Spirit of Service!**

We love seeing our parents play an active role in the life of our school. Over the years, nearly every family has participated in some way, and it's this spirit of service that helps shape the vibrant community we enjoy today.

We also recognize that every family's availability looks different. That's why we work with you to find volunteer opportunities that are a good fit for your season of life.

This survey should take no more than **two minutes** to complete. Filling it out ensures you have a say in your volunteer placement (otherwise, we'll need to place you where there are gaps). After you submit the survey, the Society Office will be in touch to confirm your placement.
